Dear Rebecca:

Thanks so much for making the Wisconsin festivities possible. Honor and I enjoyed ourselves thoroughly, and we both hope that we brought to the experience as much as we received. It was such fun to see the play spring into life.

Let us know if there's anything either of us can do in the future for you and for UWM. We'd be happy to return.

Thanks as well for your hospitality on and off the campus. We were pleased to meet Nick and Lawson, both good guys all the way around.

Keep us posted.

Thanks again!--
